

1 **AgrenNewEnergy BV**  
**AGRO Vital Holding BV**

Importers of woody biomass (pellets, wood chips) and promoter of energy crops for bio chemistry and bio energy

[www.agrennewenergy.com](http://www.agrennewenergy.com)

2 **KARA Energy Systems**

Boiler Systems fuelled with different types of biomass, custom made systems, consultant, design, manufacture, installation and project start-up

[www.kara.nl](http://www.kara.nl)

Solutions for organic waste processing into biogas, green electricity, green heat, compost, fertilizer and water

[www.colsen.nl](http://www.colsen.nl)

4 **Biomass Research**

Availability and energy content of biomass (crop residues, wood residues, industrial waste streams, manure), Bioenergy and Biobased chain development, Policy Development, Sustainability: indicators and benchmarking, Investment Options (LCOI)

[www.biomassresearch.eu](http://www.biomassresearch.eu)

5 **Spiro B.V**

Looking for system-integrators of biomass, WtE, woodchips plants. Delivers: Receiving bunkers, for regular discharging Toploader system, feeding system

[www.spiro.nl](http://www.spiro.nl)
